### Introduction

The CLUB BAUR AU LAC resides in the classical *Villa Rosau* in quiet and peaceful surroundings on the shore of Lake Zurich and close to the world-famous Bahnhofstrasse, Zurich's bustling business centre and elegant shopping mall.

For over 40 years the CLUB BAUR AU LAC has been a favorite abode and a prestigious home for its members in the heart of the business district. The discretion of the CLUB is valued just as highly as its superb cuisine and the unobtrusive service. Upstairs, the CLUB offers an array of conference facilities and meeting rooms, which are an ideal place to confer with business partners from all over the world.

The CLUB BAUR AU LAC is an exclusive private club open to members deemed worthy of membership and their private guests. In maintaining the old traditions of a private club, an institution formerly known only to the British, membership is reserved for gentlemen only. Ladies are most welcome to attend the CLUB throughout the day, with the exception of the club restaurant and the bar on the ground floor during the lunch hour. Both, ladies and gentlemen, are welcome to take lunch at the elegantly appointed Restaurant Bel-Etage situated on the first floor of the CLUB.

The Club counts 500 members of various nationalities, though Swiss represent the largest proportion. This number is maintained as strict membership limit. The CLUB offers three categories of membership: *Full-Members*, *Overseas-Members* and *Evening-Members* - whereby *Full-Members* of the CLUB are by far the most numerous. The CLUB is a social club, politically and denominationally neutral, and fulfills the aspirations of its founder in providing a very special place where members can dine, relax or entertain friends and colleagues. The atmosphere of the CLUB is about good companionship and a sense of belonging in a warm and elegant setting, where old traditions have a meaning and value.
